

# Cetera Peter, One Good Woman

Cetera Peter  
One More Story  
One Good Woman  
I am so in love with you  
I just can't deny it  
Everybody knows I can't deny it  
Everybody knows  
You can read me like a book  
Just like a fortune teller  
Everybody needs a fortune teller  
Telling you the very truth

You bring me feelin'  
You bring me fire  
You give me love that's taking me higher  
Just goes to prove  
What one good woman can do

You bring out the best in me  
With love and understanding  
Anytime I need some understanding  
You are always there

And if I ever lose my way  
You're always there to guide me  
Anyone can see you're here inside me  
Anyone can see it

You bring me feelin'  
You bring me fire  
You give me love that's taking me higher  
Just goes to prove  
What one good woman can do

You fill me with hope  
Love and devotion  
You taught me how to show my emotion  
Just goes to prove  
What one good woman can do

This is our time, we have it all  
We have a way of knowing if we're heading for a fall  
We'll work it out and get it right  
And when I get home to you  
You're such a sight for my poor eyes

This is our time, we have it all  
When I come home at night  
You're such a sight for my poor eyes

You bring me feelin'  
You bring me fire  
You give me love that's taking me higher  
Just goes to prove  
What one good woman can do

You fill me with hope  
Love and devotion  
You taught me how to show my emotion  
Just goes to prove  
What one good woman can do
