

# Chad Brock, She Said Yes

She moved into my old apartment  
thats how we got this whole thing started  
she called and said that i had mail waiting there for me,  
I told her that Id come and get it  
how could i know in just a minute  
that id be standing face to face with my own destiny

ohh and we sat there talkin just like we were old friends  
and ohh i asked her can i see u again

chorus:  
she said yes  
and i said wow  
and she said when  
and i said how about right now  
love cant wait  
then i asked if she believed in fate  
she said yes

the days flew by just like a fast train  
and nothing else has been on my brain  
except the thought of how she makes me  
the man i wanna be  
and she's the one i want for a million reasons  
loving her its just like breathing  
its easy and it obvious  
she was made for me

ohh the it happend one night looking in her eyes  
ohh and i popped the question  
and much to my suprise..

chorus

So we called the precher, family, and friends  
And nothing been the same since

chorus

She said yes
