

# Chad Brock, The Thought Of Bein' In Love

When we met, love was like a runaway train  
Our lives would never be the same after that  
Lost hearts searchin' for a place to go  
Without consideration, there's no turning back  
We were having fun together  
We felt the promise of forever  
And even though we both knew better  
We went straight ahead

Just the thought of bein' in love  
Just the chance is good enough  
To make us give in and give our hearts up  
To the dream  
I know it didn't work out like we planned  
Baby, I've come to understand  
We got caught up in the thought of bein' in love

We laughed, we laughed until the day we cried  
But even when you know you tried, it still hurts  
Long nights wide awake and wondering why  
Praying somehow you and I could make it work  
And even with your eyes wide open  
And even when your heart's been broken  
Still, we're gonna keep on hopin'  
Love finds us someday

Just the thought of bein' in love  
Just the chance is good enough  
To make us give in and give our hearts up  
To the dream  
I know it didn't work out like we planned  
Baby, I've come to understand  
We got caught up in the thought of bein' in love

Just the thought of bein' in love  
Just the chance is good enough  
To make us give in and give our hearts up  
To the dream  
And though it didn't work out like we planned  
Because of you, I'm a better man  
We just got caught up in the thought of bein' in love  
We just got caught up in the thought of bein' in love  
In love
