Why Don't You & I

Since the moment I spotted you
Like walkin round with little wings on my shoes
My stomach's filled with the butterflies...ooo and it's alright
Bouncin round from cloud to cloud
I got the feelin like I'm never gona come down
If I said I didn't like it then you know I'd lie ooooo

And every time I try to talk to you
I get tongue-tied
turns out that everything I say to you
Comes out wrong and never comes out right

So I'll say why don't you and I get togehter and take on the world
and be together forever
Heads we will and tails we'll try again
So I say why don't you and I hold each other and fly to the moon
and straight on to heaven
Cause without you they're never going to let me in

When's this feaver gona break?
I think I've handled more than any man can take
I'm like a love-sick puppy chasin you around.... ooo And it's alright
Bouncin round from cloud to cloud
I got the feeling like I'm never gona come down
If said I didn't like it then you know I'd lie oooo

And every time I try to talk to you
I get tongue-tied
turns out that everything I say to you
Comes out wrong and never comes out right

So I'll say why don't you and I get togehter and take on the world
and be together forever
Heads we will and tails we'll try again
So I'd say why don't you and I get together and fly to the moon
and straight on to heaven
Cause without you they're never going to let me in

slowly I begin to realize this is never going to end
Right about the same you walk by
And I say 'Oh here we go again oh'

Every time I try to talk to you
I get tongue-tied
turns out that everything I say to you
Comes out wrong and never comes out right

So I'll say why don't you and I get togehter and take on the world and be together forever
Heads we will and tails we'll try again
So I say why don't you and I get together and fly to the moon
and straight on to heaven
Cause without you they're never going to let me in

So I'll say why don't you and I get togehter and take on the world
and be together forever
Heads we will and tails we'll try again
So I say why don't you and I get together and fly to the moon
