

Chad Mitchell, Stay With Me

The time it is too long for the waiting
Minutes seem like days when we're apart
Even though you say it's time for leaving
Please, don't go away again, sweetheart
Stay with me, stay with me
The time, it goes so fast when you are near me
Days and nights are one or so it seems
Why then do you say you've got to leave me
When you can answer all my prayers and dreams?
Stay with me, stay with me
If you leave me this time
It will be the last time
So tell me is your love slowly fading
Or do you care as much as once before?
The time it is too long for the waiting
And I can't live without you anymore
Stay with me, stay with me
