

Chad Siwik, Not Some Other Slice

I don't know if I should cry or if I should just hide
break me take me mend me make me in the nick of time
I've never been so damn misunderstood my whole life
can you tell me why it's you and Not Some Other Slice

I've never been good at this so tell me what to say
I've never been good at fighting or at placing blame

and you know you really know
you know you really know
you know you really know
when I throw I really throw, you know,
I really throw, you know, I really throw
guess I now have gotta go
I know I really know you know
I've gotta go
don't forget to wish me well
I may end up in hell
may as well wish me well
