

# Chad VanGaalén, Willow Tree

Sleep all day, just waiting for the sun to set  
I hang my clothes up on the line  
When I die, I'll hang my head beside the willow tree  
When I'm dead is when I'll be free  
And you can take my body  
Put it in a boat  
Light it on fire  
You can use the kerosene

Take my body  
Put it in a boat  
Light it on fire  
Send it out to sea  
Whoooo whooo  
Whoooo whooo  
Yeah yeah yeah  
Yeah yeah yeah  
Sleep all day just waiting for the sun to set  
I hang my clothes up on the line  
When I die I hang my head beside the willow tree  
When I'm dead is when I'll be free  
So you can take my body  
Put it in a boat  
Light it on fire  
Use the gasoline  
Take my body  
Put it in a boat  
Light it on fire  
Send it out to sea
