

Chagani Umair, Everyday

Ou. Everyday
If I may
Say, girl I love you
By the bay
Night and day
Say, girl I need you
I love you
With all my heart
They can't keep us apart
Ou. In this world
You are girl
The only one for me
Like a pearl
In this world
You mean everything to me
I love you
With all my soul
I need you to be whole
Ou. Everyday
