

Chaka Khan, Any Old Sunday

(A. McCrary, L. McCrary, A. Fraser and D. Ironstone)

Spendin' all my time
With you on my mind
I think it's time that we made the score
Oh it makes me crazy
This anticipating
Cause I'm loving you more and more

One by one the lonely hours slip away
I'd like to be your fun and games
Brighten up your day, yeah yeah yeah yeah

[Chorus:]

Any old sunday, any old sunday will do (so what are you waiting for?)
Any old sunday, any old sunday will do (so what are you waiting for?)

I'm waitin' for the time
To feel your arms around me (so what are you waiting for?)
Time keeps passing
I'm yours for the asking
Because our love is an open door
Stop cultivating, stop hesitating
No more questions in my mind
You can be so lovely
Our love will be like honey to the bee
Yeah yeah yeah yeah
