

# Chaka Khan, Betcha I

(Chaka Khan, The Artist and Mark Stevens)

[Chorus:]

I betcha I

Betcha I can

Betcha I can love

Betcha I can love ya

Betcha I can love you like you've never been loved before

Betcha I, Betcha I, Betcha I [2x]

I betcha I can woo ya

Betcha I can do ya

Betcha I can do you till you're dead and done

Betcha I can love ya

Betcha I can hold ya

So doncha know that I'm the only one

Betcha I can love you like you've never been loved before

I betcha I can feed ya

Betcha I can bleed ya

And make you think you're havin' fun

Betcha I can choose ya

Betcha I can lose ya

I betcha I can drop you like a smokin' gun

Betcha I can tease ya

Betcha I can freeze ya

Betcha I can warm you like the mornin' sun

Betcha I can flirt ya

Betcha I can hurt ya

Betcha I can do ya till you're dead and done

Betcha I can love you like you've never been loved before

[Chorus]

I betcha I can hold you

Betcha I can mold you

Betcha I can take you or leave you alone

Betcha I can kiss you

Don't you know that I can dismiss you

And you're dismissed now

Like a rolling stone

And how does it feel?

Betcha I can love you like you've never been loved before
