

# Chaka Khan, Coltrane Dreams

(Arif Mardin, Julie Mardin and Chaka Khan)

Coltrane [repeat]

Round and round we'll chase  
Like a silver train  
Focused in a storm  
Comin' through the rain  
Avalanche of notes  
Ships of crystal clear  
On this earth they fall  
But nobody seems to hear

Coltrane [repeat]

Round and round we'll chase  
Like a silver train  
Focused in a storm  
Comin' through the rain  
Avalanche of notes  
Ships of crystal clear  
On this earth they fall  
But nobody seems to hear

When I dream I fly  
Through this stormy world  
Ships of sound I ride  
Far from pain and fear  
To Coltrane's sound so clear
