

Chaka Khan, Don't Go To Strangers

Build your dreams
To the stars above
But when you need someone true to love
Don't go to strangers
Darling, come home to me

Play with fire till your fingers burn
But when there's no place for you to turn
Don't go to strangers
Darling, come home to me

For when you hear a call to follow your heart
You'll follow your heart I know
I've been through it all and I'm an old pro

And I'll understand if you go

So make your mark for your friends to see
But when you need a little more than company
Don't go to strangers
Darling, come home to me

(piano solo)

So ? make your mark for your friends to see
But when you need more than company
Don't go to strangers
Darling, come home to me
