

Chaka Khan, Everywhere

Can you hear me calling
Out your name
You know I'm falling
And I don't know what to say

I'll speak a little louder
I'll even shout
You know that I'm proud
And I can't get the words out

Oh I, I want to be with you everywhere
Oh I, I want to be with you everywhere
Wanna be with you everywhere

Something's happening
Happening to me
My friends all say
I'm acting peculiarly

C'mon baby
We better make a start
You better do it soon
Before you break my heart

Oh I, I want to be with you everywhere
Oh I, I want to be with you everywhere
Wanna be with you everywhere

Can you hear me calling
Out your name
You know I'm falling
And I don't know what to say

Come along baby
We better make a start
You better do it soon
Before you break my heart

Oh I, I want to be with you everywhere
Oh I, I want to be with you everywhere
Oh I, I want to be with you everywhere
Oh I, I want to be with you everywhere
Wanna be with you everywhere
