Chaka Khan F/ George Benson, We Got The Lov

Chaka Khan F/ George Benson Miscellaneous We Got The Love You know it hurts me When I can't be next to you And though we're young I know You feel the same way, too Deep in our hearts we know It's just a matter of time 'Cause we'll be together one day

And when we met Out on the streets along the way It wasn't by chance that we Were passing by that day As sure as there's a moon And stars above I know We'll be together for sure

As sure as that nose on your face We were meant for each other's arms Just as one and one make two You were made for me I was made for you (boy) Don't try to hide that smile I know that's on your face And when you stare (look) at me I'll look the other way And we won't give away What we know from the start That we've got that love in our hearts

Deep in our hearts In our hearts we've got that love In our hearts we've got that love In our hearts we've got that love Oh deep down in our hearts We've got that love Oh we're very into lovin', yeah Oh that love in our hearts We've got that love in our hearts Oh baby, we've got that love
