

# Chaka Khan, High Wire - The Aerialist

Chaka Khan  
Echoes Of An Era  
High Wire - The Aerialist  
Up on the wire  
I like to climb and play with the sky  
The people far below  
The air is clear  
And i can't receive  
The whole world is smiling  
Life is so blind  
And when you dare to go up in the air  
And leave the earth up behind you  
As i step and leap into a space beyond  
Up high for a moment  
Alive and so afraid but alive  
As i push against the sky  
And my heart is open wide  
Be a term ... to join  
When you can raise the edge of the sky  
Life seem tense and strong  
It's not to long before you run  
Beyond your horizons  
Up on the wire  
The line is thin and you must have ... against the sky  
So precising  
But life is to go on as far as you can see  
Up high for a moment  
Alive and so afraid but alive  
And the wires disappear  
Up on the wire  
I like to climb and play with the sky  
The people far below  
The air is clear  
And i can't receive  
The whole world is smiling  
Life is so blind  
And when you dare to go up in the air  
And leave the earth up behind you  
As i step ..... leavin to a space .... just for a moment  
Alive and so afraid  
But alive  
As i push against the sky  
And my heart is open wide
