

Chaka Khan, Highlight

Chorus:

Day to day

You're the hi ... highlight

Day to day

You're the hi ... highlight

You're the bright side of my darkness

You remove my gloom

You picked me up when times got rough

I'm glad you had some room

To love and hold me close to your heat

To keep me safe and warm

You're the height of my desire

You set off my alarm

Chorus

I can't wait to see you

From one moment to the next

With you I never know what new thrill to expect

Your perfect sense of timing

Keeps me coming back for more

You're the spark that lights my fire

It's you that I adore

Chorus
