

Chaka Khan, I Mean You

Chaka Khan
Echoes Of An Era
I Mean You
If you have to do me this way
I can't stay
I can't - no - no
There's a price that you'll have to pay
And i mean you
I mean you

I can't let you push me around
On the ground
I can't - hey - no
I'm not some new clown that you found

And i mean you
I mean you
I mean you, yeah you, there's only me
I mean you, yeah you
What are you gonna do

I cant let you push me around
On the ground
I cant - hey - no
I'm not some new clown that you found
I mean you, i mean you
You can try to walk on anyone you choose
And you haven't got a thing to lose but me!

I can't

If you have
And i mean you
I mean you
I mean you, yeah you, there's only me
I mean you, yeah you
What are you gonna do

I can't
