

Chaka Khan, Maybe Your Baby

I'm feeling down, in some kinda lonely
'cause my baby done left me here
Hearts blazing like a five alarm fire
And I don't even give a care
I feel like the world is fallin'
Dreams to ashes right in front of my face
I'm gettin' kind of worried and I feel so out of place

Chorus:

Maybe my baby done made some other plans
Maybe my baby done made some other plans

In the morning when I get a heartache

I can't call on the doctor for help
'cause the only person that could ever do me any good is runnin'
Around with my best friend
Oh, I feel like I'm slippin' deeper, lower, a little deeper into myself
I tell you that I just can't handle it, you all
It's scaring me to death

Chorus:

Maybe my baby done made some other plans
Maybe my baby done made some other plans

Repeat chorus
