

Chaka Khan, So Close

(Pam Tillis, Marcy Levy and Richard Feldman)

You've been keeping me in limbo
Playing hide and seek
You've been teasing me 'cause you know
That it makes me weak

You've done everything to fall in love
I know what you're running from
Kisses like these are few and far between

Now we're so close yet so far away
I'm breaking down the distance
With every move, with every touch
You're wearing down my resistance

You know your lonely days are numbered
There's nothing you can do

There'll be no more keeping us apart
I'm ready for the love to start
I can almost feel it breaking through

Now we're so close yet so far away
I'm breaking down the distance
With every move and every touch
I'm wearing down your resistance

I wanna get closer, closer to you
I can almost feel it breaking through

So close yet so far away
I'm breaking down the distance
With every move and every touch
I'm wearing down your resistance

So close yet so far away
I'm breaking down the distance
With every touch and every move
You're wearing down my resistance
