I would love you anyway

Here is where you oughta be
i just want to satisfy ya
cause your not mine I cant deny it
dont you hear me talking baby
love me now or I'll go crazy
wwwoooooooowwwooooo sweet thang

wwwooooooooo sweet thang
dont you know your my everythang
(yes you are)

I wish you were my lover
but you act so undercover
I love you child my whole life long
be it right or be it wrong
I'm onll what you make me babe
dont walk away dont be so shady
dont what your mind dont want your money
The words I say they may sound funny but

Hook

bridge

You are my heat
you are my fire
you make me weep with strong desire
I love you child my whole life long
be it right or be it wrong
I just want to satisfy ya
though your not mine I cant deny it
dont you hear me talking baby
love me now or I'll go crazy

Backround

you are my heat you are my fire
you not mine I cant deny ya
dont you hear me talking baby
love me now or I'll go crazy
