

Chaka Khan, Take The A-Train

(Billy Strayhorn)

Hurry, hurry, hurry
Take the A-train
To find the quickest way to get to Harlem

If you should take the A-train
You'll find you get right where you goin'
If you hurry

Hurry, hurry, hurry
Night's coming
Can't you hear the rails a-humming

If you should take the A-train
You'll find to get away
... with a hurry

If you should take the A-train
You'll find you get right where you goin'
If you hurry

Hurry, hurry, hurry
Night's coming
Can't you hear the rails a-humming
