VERSE 1:
I'm gonna make you love
If it's the last thing I do
I'm gonna make you with
That there were two of you

BRIDGE 1:

I think you're gonna need help
'Cause I've been saving my love
For nobody but you
I'll make you melt
Like the snow in the summer
'Cause you're blowin' my mind
I know it's gonna be all better
When you touch me (oh, oh, give it to me baby)
Love can't wait, You'll never get away
