

Chaka Khan, This Time

(David Lasley, Marsha Malamet and Robin Lerner)

One heart
One hand
One woman
One man
To love
To live together

This time
This place
This lifelong embrace
Could last
Could be forever

This time
Endings don't apply
No broken hearts
No crying eyes
This time
No emptiness for us
Just you and I
In love this time

To trust
To care
To dream and
To dare
Believe in
Something better

This time
Endings don't apply
No broken hearts
No crying eyes
This time
No emptiness for us
Just you and I
In love this time

Here because the angels smiled on us
The angels smiled on us...this time
Here because we're the ones who shine
We're the ones who shine...this time
