

# Chalee Tennison, More To This Than That

Who gets to leave with the picture from San Francisco  
Who gets to leave with the one from Italy  
The table and chairs should really be yours when you go  
And the rug on the stairs can stay right here with me  
You say you'll call when you get a number  
You turn to go and you don't look back  
There's gotta be more to this than that

There's gotta be more  
Gotta be more  
More than eenie meenie minie moe  
Divide the past, let it go  
Set the boxes in a row  
It's down to who gets the car in the driveway  
It's down to who gets the dog and the cat  
There's gotta be more to this than that

Could this be right?  
I feel like there's something missing  
Shouldn't we fight or make some kind of scene?  
We put on a smile and act like we're doing business  
It's not our style to show how much this means  
All our dreams and a few signed papers  
In paper bags on the welcome mat  
There's gotta be more to this than that

There's gotta be more  
There's gotta be more  
More than eenie meenie minie moe  
Divide the past, let it go  
Set the boxes in a row  
It's down to who gets the car in the driveway  
It's down to who gets the dog and the cat  
There's gotta be more to this than that  
It's down to who gets the car in the driveway  
It's down to who gets the dog and the cat  
There's gotta be more to this than that
