

Cham, Boom Boom

(Feat. Rihanna)

[Chorus: Rihanna]

Boy you make my heart go boom boom boom
You know when you get me hot it go boom boom boom
When you touch me like that it go boom boom boom
You know when you hit the spot it go boom boom boom
Boy you make my heart go boom boom boom
You know when you get me hot it go boom boom boom
When you touch me like that it go boom boom boom
You know when you hit the spot it go boom boom boom

[Bridge: Rihanna]

My love is perculating, cause I'm anticipating
Your lovin we be sharing, you got me, ha, ha

[Verse 3: Baby Cham]

She hit mi wicked like cricket cricket
When she lose har hips and flick it flick it
She seh she love when she and di rudeboy kick it
Mek she scream all night and mi have har ticket
Di play around ting homegirl nah in it
Seen alot of guys tryin but guess who win it
She love di marathon she nuh like one minute
She waan slow motion till she reach har limit
Touched her and she lusted I can see it on her face
She's shakin I can feel it when she is in my embrace, she seh

[Chorus: Rihanna]

Boy you make my heart go boom boom boom
You know when you get me hot it go boom boom boom
When you touch me like that it go boom boom boom
You know when you hit the spot it go boom boom boom
Boy you make my heart go boom boom boom
You know when you get me hot it go boom boom boom
When you touch me like that it go boom boom boom
You know when you hit the spot it go boom boom boom

[Bridge: Rihanna (Baby Cham)]

Feelin weak, in my knees, lost my mind, baby please
No control, ooh fire with my baby give me stuff like this
Feelin weak, in my knees, lost my mind, baby please
No control, ooh fire with my baby give me stuff like this (She Cry)

[Chorus: Rihanna]

Boy you make my heart go boom boom boom
You know when you get me hot it go boom boom boom
When you touch me like that it go boom boom boom
You know when you hit the spot it go boom boom boom
Boy you make my heart go boom boom boom
You know when you get me hot it go boom boom boom
When you touch me like that it go boom boom boom
You know when you h¨t the spot ¨t go boom
