

Chamber - L'Orchestre De Chambre Noir, Amoro

A magical lady crossing my path,
driving me mindless and half brained again,
jammed by desires and weaknesses.
Unknowingly she touched the vent...

oh god, it's such a shame
I'm losing control and then
turning into a total jerk again

being pretentious
and acting foolish
being awkward
and acting childish...
a stupid old man
radicalising himself
the best that I can

Enduring solitude, god knows how long
spending time with those, unsuitable and wrong
forgot all those human desires
till her smile made me stupid again...

oh god, it's such a shame
I'm losing control and then
turning into a total jerk again

being pretentious
and acting foolish
being awkward
and acting childish...
a stupid old man
radicalising himself
the best that I can
being pretentious
and acting foolish
being awkward
and acting childish...
a stupid old man
in love is more
a woman can bare

Words: Marcus Testory
Music: Marcus Testory
Arrangement: Felix Wiegand
