

Chamber - L'Orchestre De Chambre Noir, Heart Of Stone

Where's all the love gone
my heart's like a stone
there's no fear, there's no fire
a life without desire

My mind works cold and clear
my heart shrouded in stony fear
for it'll never break again
and nothing can drive me insane

And it feels like I've sold my soul
And it feels like I've lost my heart
And it seems like I've signed this contract
with my blood

So I won't hold you in my arms
can't give you tenderness
there are no caresses
my live without emotion

Sometimes I feel like there's something missing
then I'm drowning in endless sadness
and I would give anything
if I could only feel something

And it feels like I've sold my soul
And it feels like I've lost my heart
And it seems like I've signed this contract
with my blood

Sometimes I can feel you
I can feel your emotions

And it feels like I've sold my soul
And it feels like I've lost my heart
And it seems like I've signed this contract
with my blood
