

# Chamber - L'Orchestre De Chambre Noir, I Hate

all those cunning bitches  
spellcasting witches  
strip me down to the core  
twisted little cuties  
coldhearted beauties  
these are the women I am falling for  
they are what I'm dreaming of  
that's why I hate  
falling in love

all those drama queens  
and gorgeous teens  
pretending it's time to get laid  
lovely lolitas  
and faded stars  
I tip my hat to their parade  
they are what I'm dreaming of  
that's why I hate  
falling in love

all those pinup girls  
with golden curls  
armed with razorblade smiles  
and the wicked whores  
everyone adores  
and stops by just for a while  
they are what I'm dying for  
a threat one can hardly ignore  
a nightmare you can't stop dreaming of  
I hate  
falling in love
