

Chamber - L'Orchestre De Chambre Noir, Moonchild

See the stars
Feel the wind that blows
Listen to the
Trees wisdom

She's my precious
my moonchild

Take a breath
Feel the energy within
Listen to the
Symphony of life

She's my precious
my moonchild

Mighty mother
Lay your arms around this child
My moonchild
And let her dream
Let her sleep becalmed

She's my precious
my moonchild

Sleep becalmed
Feel the warmth around you
Listen to the
Earths heart beat

She's my precious
my moonchild
