

Chamillionaire, New Jersey

[O.G. Ron C - talking]

It's coming

I brought some of my homies in right now

[Call Me New Jersey] (Oh it's on now)

Uh let em' know

[Chamillionaire]

-Uh

Call me new jersey 'cause I'm always in a new jersey

Type to go trade a foreign when the rims get too dirty

My drop is a damn dancer, topless like a lap dancer

Own the city and I cap, so they call me Cap-lanta

Is that ya last answer enn nigga dead wrong

I might snap like a fat women's big leg in a red thong

Hold up, I'm off the hanger, spokes twistin' up off the swangers

Call me Cedric, 'cause when I pop trunk I'm the entertainer

Bootleggers in awful danger, mean no disrespect

But is this my check, no, hit the deck when I get my tech

Hold up, I'm off the wall, chamillion gon floss for y'all

Make sixteen hundred every time i cough my balls
