

Chamillionaire, New Jersey Freestyle

[O.G. Ron C - talking]

It's coming

I brought some of my homies in right now

[Call Me New Jersey] (Oh it's on now)

Uh let em' know

[Chamillionaire]

-Uh

Call me new jersey cuz I'm always in a new jersey

Type to go trade a foreign when the rims get to dirty

My drop is a damn dancer, topless like a lap dancer

Own the city and I care, so they call me "Care-Manter"

Is that ya last answer enn nigga dead wrong

I might snap like a fat women's leg in a red thong

Hold up, I'm off the hanger, spokes twistin' up off the swangers

Call me Cedric, cuz when I pop trunk I'm the entertainer

Bootleggers in awful danger, mean no disrespect

But is this my check, go hit the deck when I get my tech

Hold up, I'm off the wall, maybe come floss for y'all

Last line was talked over
