

Chamillionaire, Patron

[Chamillionaire:]

They mite say I'm such a flirt, lipstick on my neck and shirt
Chicks all up in vip, dancing in their mini skirts
Lookin at them curves, baddest woman in the universe
I'm jus tellin her, I need you to be my passenger
Haterz gettin' on my nerves, haterz gettin' on my nerves
And they better learn, they gon always get what they deserve
Money is a curse, but not havin' money is the worst
I'll get back to work, but I'm bout to sip this henney first
Said it ain't tricken' if you jus' spend it
I'mma run outta dough in a minute
Every chick sayin she independent
Starin' at the diamonds all in my pendent
I'm not offended
Still tryn'a find out what her friend is
She tryn'a find out where my benz is
I'm so glad I got a tenda
its time to get it
tell me when the last time that you've been
With a playa this cool, I bet he isn't
All eyes on me like a witness
Told her I didn't
Drink it, yee I really meant it
And everybody is all up in my business
And I'm hopin' this Henney help me forget it

[Bobby Valentino:]

I don't normally drink but tonite I'm gon
Gone off that rosay, gone off that patron
I'm so gone (baby)
I'm tryna wash my problems away (jus for the day)
Had too much to drink I won't say I'm drunk
But I think I drank a 'lil too much patron
I'm so gone (baby)
I'm tryn'a wash my problems away (jus for the day)

[Bobby Valentino (Chamillionaire):]
