

# Chamillonaire, Patron

[Chamillonaire:]

They mite say I'm such a flirt, lipstick on my neck and shirt  
Chicks all up in vip, dancing in their mini skirts  
Lookin at them curves, baddest woman in the universe  
I'm jus tellin her, I need you to be my passenger  
Haterz gettin' on my nerves, haterz gettin' on my nerves  
And they better learn, they gon always get what they deserve  
Money is a curse, but not havin' money is the worst  
I'll get back to work, but I'm bout to sip this henney first  
Said it ain't trickin' if you jus' spend it  
I'mma run outta dough in a minute  
Every chick sayin she independent  
Starin' at the diamonds all in my pendent  
I'm not offended  
Still tryn'a find out what her friend is  
She tryn'a find out where my benz is  
I'm so glad I got a tenda  
its time to get it  
tell me when the last time that you've been  
With a playa this cool, I bet he isn't  
All eyes on me like a witness  
Told her I didn't  
Drink it, yee I really meant it  
And everybody is all up in my business  
And I'm hopin' this Henny help me forget it

[Bobby Valentino:]

I don't normally drink but tonite I'm gon  
Gone off that rosay, gone off that patron

I'm tryna wash my problems away (jus for the day)  
Had too much to drink I won't say I'm drunk  
But I think I drank a 'lil too much patron  
I'm so gone (baby)
