You'll get ejected from the game now (now)

Watch reality hit ya like pow (pow)

Please take another vacation?

And I'm like take another vacation?

You gonna have to sit and stay patient

I control her and remote her

She doin' just what I told her

Got her phone book in my phone yea

somewhere up in my folder

I stay choosin' em like a voter

I Told her I'll promote her

Pinky shinin' like its solar

Game colder than a polar (hold up)

[Chorus]

Let me hop right into Pimp Mode

Got the top down on a fresh set of those fo's

And I push it real slow, slow, slow

Let me hop right into Pimp Mode

Put the game on them, you know how the rest go, You know how the rest go, go, go

You know I be in Pimp Mode, Pimp Mode, Pimp Mode
