

Champaign, How 'Bout Us

Ooh, short and sweet
No sense in draggin' on past our needs
Let's don't keep it hangin' on
If the fire's out, we should both be gone
Some people are made for each other
Some people are made for another for life, how 'bout us?
Some people can hold it together
Last through all kinds of weather, tell me, can we?
Now don't get me wrong
'Cause I'm not tryin' now to end it all
It's just that I have seen
Too many lover's hearts lose their dreams
Some people are made for each other
Some people are made for another for life, how 'bout us?
Some people can hold it together
Last through all kinds of weather, tell me, can we?
How 'bout us?
How 'bout us, baby?
How 'bout us?
How 'bout us, baby?
Some people are made for each other
Some people are made for another for life, how 'bout us?
Some people can hold it together
Last through all kinds of weather, tell me, can we?
