

# Champaign, How 'Bout Us

Ooh, short and sweet  
No sense in draggin' on past our needs  
Let's don't keep it hangin' on  
If the fire's out, we should both be gone  
Some people are made for each other  
Some people are made for another for life, how 'bout us?  
Some people can hold it together  
Last through all kinds of weather, tell me, can we?  
Now don't get me wrong  
'Cause I'm not tryin' now to end it all  
It's just that I have seen  
Too many lover's hearts lose their dreams  
Some people are made for each other  
Some people are made for another for life, how 'bout us?  
Some people can hold it together  
Last through all kinds of weather, tell me, can we?  
How 'bout us?  
How 'bout us, baby?  
How 'bout us?  
How 'bout us, baby?  
Some people are made for each other  
Some people are made for another for life, how 'bout us?  
Some people can hold it together  
Last through all kinds of weather, tell me, can we?
