

Champion Jack Dupree, Drinkin' Wine Spo-Dee-O-Dee

Down in Louisiana they get in the groove
When they get drunk they begin to move
Screamin' and a howlin' and talking loud
Throwin' beer bottles and join the crowd
Drinking wine spo-dee-O-dee
Drinking wine spo-dee-O-dee
Drinking wine spo-dee-O-dee
Pass that bottle to me
Wine, wine, wine, Blackberry
Wine, wine, wine, red cherry
Wine, wine, wine, half an' half
Wine, wine, wine, all night long
Wine, wine, wine, oh boy
Wine, wine, wine
Now early in the morning by the break of day
When they get drunk you can hear them say
Screamin' and a howlin' and talking loud
Throwin' and brawlin' and join the crowd
Drinking wine, wine, wine
Drinking wine spo-dee-O-dee
Drinking wine spo-dee-O-dee
Pass that bottle to me
Wine, wine, wine, Blackberry
Wine, wine, wine, red cherry
Wine, wine, wine, half an' half
Wine, wine, wine, all night long
Wine, wine, wine, oh boy
Wine, wine, wine
Well, my grandma was too old to go
She listened in on the radio
Her feet got happy and she grabbed a drip
The first thing she hollered that wine is a mess
Drinking wine spo-dee-O-dee
Drinking wine spo-dee-O-dee
Drinking wine spo-dee-O-dee
Pass that bottle to me
Wine, wine, wine, and the berry
Wine, wine, wine, red berry
Wine, wine, wine, half the barrel
Wine, wine, wine, all night long
Wine, wine, wine, oh boy
Wine, wine, wine
Now I'm down in Louisana everything alright
When they get drunk they wanna fuss and fight
Screamin' and a howlin' and talking loud
Standing on the corner and join the crowd
Drinking wine spo-dee-O-dee
Drinking wine spo-dee-O-dee
Drinking wine spo-dee-O-dee
Pass that bottle to me
I say, wine, wine, wine, Blackberry
Wine, wine, wine, red cherry
Wine, wine, wine, half the barrel
Wine, wine, wine, all night long
Wine, wine, wine, oh boy
Wine, wine, wine
Baby, baby, baby
Baby, baby, baby
Baby, baby, baby
Baby, baby, baby
