

Champion Jack Dupree, Early In The Morning

Oh, now! Early in the morning!
It really IS early in the morning, too, son!

Early in the morning,
Early in the morning,
Early in the morning,
Early in the morning,
Early in the morning, I'm feelin' good
Early in the morning,
Early in the morning,
Early in the morning,
Early in the morning,
Early in the morning, I feel so good

I went down to my baby's house
I knocked upon her doggone door
She told me, daddy don't knock no more
She go, I don't want you here no more

I said,
Early in the morning,
Early in the morning,
Early in the morning,
Early in the morning,
Early in the morning, And I'm feeling good

(Mickey's Solo:)

Oh yeah...
All right there! Yeah! Let your hair down! I wish you had some... Yeah!

Early in the morning,
Early in the morning,
Early in the morning,
Early in the morning,
Early in the morning, I'm feelin' so good, yes I do
