

# Champion Jack Dupree, My Next Door Neighbour

Man you know, my next door neighbour, keep a borrowin' all the time  
My next door neighbour, keep a borrowin' all the time  
Borrow so much, about to lose my mind

My next door neighbour, he keep a borrowin' all the time  
My next door neighbour, it worry me all the time  
It worry me so much, I'm bound to lose my mind  
(You didn't have much in the first place!)

He wants to borrow a little sugar, want to borrow a little coffee,  
They borrow some sugar, make the coffee sweet  
They wanna borrow your broom, say they wanna sweep  
They wanna borrow the clock, they want it off the wall  
They wanna borrow the lawnmower to cut the grass  
Wanna borrow everything even down to our flat

My next door neighbour, keep a borrowin' all the time  
My next door neighbour, really worries my mind

Well they come to your home, about half past ten  
They wanna borrow your suit to bury their grandpa in  
I went to the door and I scratched my head  
Say these doggone neighbours will borrow from the dead

My next door neighbour, keep a borrowin' all the time  
I believe one day, I'm bound to lose my mind

(Mickey's Solo:)  
All right, daddy! Yeah, yeah! It worries me, man!

Now they borrow two pounds, say they'll pay you back  
But borrowin's all right, it's a natural fact  
When they borrow your money they won't pay back  
They been borrowin' from me all way in fact  
Now they been borrowin' boy all of my life  
I believe one day they gonna borrow my wife

My next door neighbour, keep a borrowin' all the time  
Next door neighbour, keep a borrowin' all the time

(Mickey's Solo:)  
One more time, son! (yeah, do you see him walking over now?)  
Yeah, come ri
