

Chanel, Dance

It feels like somebody should be dancing
Up in here
The love, the love is right
Be everybodys just standing
Ooooh ooo
All my fellas in the club just do what you do
(Ladies)
Its all about you
(Dont be)
Up against the wall
Up against the wall
The music in the club is bumpin
So lets get it jumpin
And get up of the wall
(Get up of the wall)
Put your hands up high
Wave them side to side
To the left, to the right
Feels so good tonight X 6
Dont be shy
Go ahead and let yourself go
Its all you gotta do
Its so easy
Once you get out on the floor
Ooooh ooo
All my fellas in the club just do what you do
(Ladies)
Its all about you
(Dont be)
Up against the wall
Up against the wall
The music in the club is bumpin
So lets get it jumpin
And get up of the wall
(Get up of the wall)
Put your hands up high
Wave them side to side
To the left, to the right
Feels so good tonight X 4
Everybody grab somebody
Let the music move your body
Coz were having a party, tonight X2
Put your hands up high
Wave them side to side
To the left, to the right
Feels so good tonight X 4
(Feels so good tonight) X 8
Put your hands up high
Wave them side to side
To the left, to the right
Feels so good tonight X 4
