

Changing Faces, All Of My Days - Ft. Jay-Z

Uh Yeah Jigga Uhu
Changing Faces (whispers)
How we do

Yo

All of my rhymes fall all of my days i trade
All of my dimes and all of my bad ways i fade
Killing late nights cruisin'
All you see is the break lights
And hair blowing you know where we going
Or at the club in the rear frontin'
Poppin droppin'
The amounts of cats but we aint trying to hear nothing
Probably was wilder than wobbly are you the wiggy to give me
Hold me down and make me slow down to be twissy
Keep the ice out the club life - change face
Get on love wife while he on the license plates
Wait - make me think about you even when your not around
Use the bathroom put the toilet seat back down
Got me some sprinkles the hair with the wrinkles
If preferred his and her furs to the ankles
Keep your friends buggin' lovin' all my ways
Jigga keep me jiggy all of my days
In the middle of the night
Got me thinkin' bout cha babe
Got me dreamin' about cha baby

All that i have

All that i have

Baby it's yours

Baby it's yours forever and ever baby

All i want is to be with you all of my days

All i want all i need

All i want is to be with you all of my days

All i want baby

Anything that turn you on

I'll be givin' it to you babe

You dont have to worry baby

All that i have

All that i have

Baby it's yours

Baby it's yours forever and ever baby

All i want is to be with you all of my days

All i want all i need

All i want is to be with you all of my days

All i want baby

Yeah ha ha - check it

(R KELLY)

All i want - all i need

Is you in my life - loving me

All i want - all i need

Is you in my life

Loving me

(JAY Z)

Now we going house shoppin'

Everybody want to know the prices of spouse droppin'

Keep it on the low R Kelly style it's quite shockin'

A year ago all i did was spend nights hoppin'

In the club in search of pretty faces and night stalkers

Who would have thought i'd walk down the aisle

Rice droppin' got you a nice rock and

Now it's on and poppin' droppin' holiday platinum bracelets

Jigga - R Kelly - Changing Faces

All i want is to be with you all of my days
All i want all i need
All i want is to be with you all of my days
All i want baby
All that i have
All that i have
Baby it's yours
