

Changing Faces F/ Malik Pendleton, Out Of Sight

Changing Faces F/ Malik Pendleton
Miscellaneous
Out Of Sight
Any where in the world
You're still my girl

[Changing Faces]
Sometimes I find it hard to bear
The pressures of this world
Until I speak, or think, or dream of you

[Malik]
Sometimes it's strange to find
All that matter is you at times
It feels so good to know
That you're all mine, you're mine

[Changing Faces]
Ooh I may be in Japan
London or France
No matter where I am
You're still my man

[Malik]
I can be on city streets
Or down south in the country
Any where in the world
You're still my girl

[Changing Faces]
Winter, spring, summer, fall
Whenever you should call
Anywhere in the world baby
I'm still your girl

[Malik]
Eight days in a week
Whenever you need me
No matter where I am
I'm you're man

[Malik & Changing Faces]
Oh, oh, oh, oh...
