

# Channel Zero, Lonely

Words on the wall greet me  
They make me feel alive  
Looking at the door and waiting for dinner  
but eating dogfood is not my style

Lonely, lonely, tonight, lonely  
Gotta get away from here, the sooner the better

I keep seeing your face girl  
How I wish I could feel you  
Maybe you're screwing another one  
While I'm in this box waiting to be done

Lonely, lonely, tonight, lonely  
Gotta get away from here, the sooner the better

I've tried counting the days here  
Can't tell the night from day anymore  
Living as a homeboy  
The worst thing that could happen to you is to feel  
Lonely, lonely at night, lonely, lonely  
A-another night, another time  
Another day and a day in time  
For a crime I didn't (commit)  
I can't stand this any longer  
Can't stand this no more  
Can't take this no more  
I'll be back you bitch  
From the moment I'm walking out of here  
Be ready for my sweet revenge
