

# Chant, Because You're Mine

It wasn't long ago I saw and heard somebody say  
I give him thanks for all the good things he has sent my way  
It's then when I wondered if you didn't do the things you do  
If they would still give all the adoration due to you, I only know  
It's not because you're good  
That I feel the way I do  
It's not because you're kind  
That makes life for me brand new  
Could be because your love  
It's the only love so true  
But it's because you're mine  
That is my reason  
The more that time goes by, the better it becomes to me  
It's so much sweeter than I ever dreamed that it could be  
Don't get me wrong, I do enjoy the finer things in life  
But life without you, I found nothing worth that sacrifice, I only know  
It's not because you're good  
That I feel the way I do  
It's not because you're kind  
That makes life for me brand new  
Could be because your love  
It's the only love so true  
But it's because you're mine  
That is my reason  
It's not because you're good  
That I feel the way I do  
It's not because you're kind  
That makes life for me brand new  
Could be because your love  
It's the only love so true  
But it's because you're mine  
That is my reason  
You've been so good and you're, oh, so kind  
I've never found a greater love  
It's not because you're good  
That makes me feel the way I do  
It's not because you're kind  
That makes my life brand new  
Could be because your love  
It's the only love that's true  
But it's because you're mine  
Because you're mine  
It's not because you're good  
You've been so good  
Could be because your love  
But it's because you're mine  
It's not because you're good  
It's not because you're kind  
Could be because your love  
But it's because you're mine  
It's not because you're good  
You've been so good  
Could be because your love  
But it's because you're mine  
It's not because you're good  
It's not because you're kind  
Could be because your love  
But it's because you're mine  
It's not because you're good  
You've been so good  
Could be because your love  
But it's because you're mine  
It's not because you're good
