

Chant, Better Than Making Love

You look good
You smell good
You know what I want
I like that
Get closer
If something feels better, I wanna know about it
If you know what it is, baby, tell me about it
This feeling's so beautiful, no words can describe it
I want it all the time, now that I've tried it
Baby, this love you're giving me
This feeling's so good, I can't let go
It's got me needing you, wanting you
And nothing could be better, better than making sweet love
'Cause that's how I feel when I'm in love
Nothing compares when it's real love
That's how I feel when I'm making love
Nothing is better than
Melting in your arms is probably my favorite scene
Of us in this masterpiece that we created
See, you keep me inspired, ooh, when it comes to love
Keep me excited, I just can't get enough
Baby, this love you're giving me
This feeling's so good, I can't let go
It's got me needing you, wanting you
And nothing could be better, better than making sweet love

'Cause that's how I feel when I'm in love
Nothing compares when it's real love
That's how I feel when I'm making love
Nothing is better than our love
'Cause it's on another level
Nothing else can measure up to how I feel in this love we share
When I sit down and compare, couldn't find that anywhere
When I am with you, oh
And we're making love
And we're making love
Baby, this love you're giving me
Baby, this love you're giving me
This feeling's so good, I can't let go
It's got me needing you, wanting you
And nothing could be better, better than making sweet love
'Cause that's how I feel when I'm in love
Nothing compares when it's real love
That's how I feel when I'm making love
Nothing is better than our love
Nothing is better than our love
Nothing is better than our love
Nothing is better than our love
Nothing is better than our love
