

# Chant, Bitter

I'm just gonna speak from my heart  
This song ain't about every man  
But sometimes when you have had your heart broken  
And there's pain  
You gotta let it out exactly how you feeling it  
I realize right now I'm just bitter  
I remember the times we shared and I  
Remember the long phone calls at night  
You used to say the sweetest things  
But today my phone rings and I wish  
That you would just stop talking  
I just can't take this anymore  
You broke my heart and I know for sure  
You're the man I thought you was  
Compromised myself enough  
Now it's times to stop living this lie now  
Don't follow me home nigga  
Stop ringing my phone nigga  
Just leave me alone nigga  
I wish you well but  
Right now I'm just bitter  
Why did you come into my life  
You didn't plan to do me right  
If you didn't mean forever more  
Why'd you get with me for?  
No free milk that's not yours anymore, no, no  
Don't follow me home nigga  
Stop ringing my phone nigga  
Just leave me alone nigga  
I wish you well but  
Right now I'm just bitter  
Don't follow me home nigga  
Stop ringing my phone nigga  
Just leave me alone nigga  
I wish you well but  
Right now I'm just bitter  
You make me sick nigga  
I ain't your dog nigga  
You made me write this song nigga  
I wish you well but  
I'm gonna find another nigga
