

Chant, In My Life

Curtains falls down
Lights come on
I'm alone in the dark
And I sang final notes from my heart
Times when I write
Late at night in my room
The candles burn and the paper mirrors
My choice of words
Every time I close my eyes
And the world ain't on my side
And I'm sure that I can't change a thing
Then the sweetest man arrives in my life
I am living out my dreams
'Cause you give me what I need
You're the only air I breathe
You're the only one can count on, on and on
I can always count on, on and on in my life
I've learned to disguise
With my eyes but he can see
Deep inside and he shares
The feelings I've tried to hide
'Cause every time I close my eyes
And the world ain't on my side
And I'm sure that I can't change a thing
Then the sweetest man arrives in my life
I am living out my dreams
'Cause you give me what I need
You're the only air I breathe
You're the only one can count on, on and on
I can always count on, on and on in my life
Oh, oh, yeah
'Cause every time I close my eyes
And the world ain't on my side
And I'm sure that I can't change a thing
Then the sweetest man arrives in my life
I am living out my dreams
'Cause you give me what I need
You're the only air I breathe
You're the only one can count on, on and on
I can always count on, on and on
Count on, on and on ever in my life, in my life
