

# Chant, Love The Woman

Chante Moore

Love The Woman

Love The Woman

Chorus:

I need your love

Living inside of me

I need your love

Living abundantly

Can't live without your love, no

So keep giving love

Keep on giving me love

Verse 1:

Woman and man

Giving what I say that I am

Receiving all you need

Say that you can

Share unselfishly your fidelity

Give me what I need, baby

Repeat chorus

Verse 2:

Woman and child

Bouncing baby girl

Can I see your smile

You're so beautiful

You're a part of all that I am

Love from two made one

I'm doing all that I can

I'm giving you all you need

Repeat chorus

Verse 3:

Woman and God

I owe you my life and I love you so much

You gave your life for me

Forever more

No money, no one, nothing

Will ever come before

Thank you for everything

Don't you know, God is...

Repeat chorus to fade
