Chant??? Moore, It's Alright

Hello my love
Before the sun rises, after it goes down
I love ya, I love ya
I say it over and over again
I love ya, hey, hey, hey
Relax your mind, we can be free together
Take our time, even through the tears
I'm staying right here, I'm waiting right here
Oh, we're going through some hard times but it will be, alright
It's alright, it's alright
It's alright, it's alright now
Every thing's alright, baby, it will be
It's alright, it's alright
It's alright, it's alright now
Every thing's alright
When teardrops fall
Running down, running down my face
I need you, please hear me
Baby, I need you here, beside me
Everyday I need to know, that you will not leave me
Promise me, tell me we can work it out
Ooh baby, without a doubt
It will be alright
It's alright, it's alright
It's alright, it's alright now
Every thing's alright
It's alright, it's alright
It's alright, it's alright now
It's gonna be alright
It's alright, it's alright
It's alright, it's alright now
Tell me it's gonna be alright
 It's alright, it's alright
It's alright, it's alright now
Every thing is alright
When the grass looks greener, and I think about leaving
I never go too far
No one else can satisfy me, because I know how good you are
Baby, hey, you make it alright
It's alright, it's alright
It's alright, it's alright now
Every thing's alright, tell me it will be
It's alright, it's alright
It's alright, it's alright now
Every thing's alright
It's alright, it's alright
It's alright, it's alright now
Every thing's gonna be alright, now
With all that we've been through
It's alright, it's alright
It's alright, it's alright now
I'll do anything to make it alright
It's alright, it's alright
It's alright, it's alright now
Show me it's gonna be, it's gonna be alright
It's alright, it's alright
It's alright, it's alright now
Every thing's alright
We're going through some hard times
But everything will be fine
I know it will be alright
It's alright, it's alright
It's alright, it's alright now
