

# Chant??? Moore, My Special Perfect One

My special perfect one  
My special perfect one  
His hands, his face, his ways, his body over there  
The way he talks to me  
Those eyes, his tenderness and his power  
His strength and add the passion between you and me  
This would be my perfect man  
I mean purposed and catered to me and my body  
Will I find you all wrapped in one?  
My search has begun but will you come  
(My special perfect one)  
I see pieces of my buried treasure here and there  
I'm looking everywhere  
(My special perfect one)  
It gets so hard sometimes  
But I'm not givin' up until I find  
(My special perfect one)  
My special one  
(Special one)  
(My special perfect one)  
My special one  
(My special perfect one)  
My special perfect one  
(My special one)  
Is it all in my mind? Is there no such thing  
One man havin' everything?  
I refuse to believe he's fantasy  
'Cause he's everywhere, he's all I see  
His hands, his face, his ways, his body over there  
The way he talks to me  
Those eyes, his tenderness and his power  
His strength and add the passion between you and me  
This would be my perfect man  
I mean purposed and catered to me and my body  
How sweet it will be for you and me  
Once the moment comes and we finally meet  
I'm savin' all of my love for you  
I know you're savin' all yours for me too  
'Cause you're my  
(My special perfect one)  
(My special one)  
My special perfect one  
(My special one)  
Twist of fate, my prayers  
I'll just wait for my soul mate  
(My special one)  
(My special perfect one)  
(My special one)  
Is it all in my mind? Is there no such thing  
One man havin' everything?  
I refuse to believe he's a fantasy  
'Cause he's everywhere, he's all I see  
His hands, his face, his ways, his body over there  
The way he talks to me  
Those eyes, his tenderness and his power  
His strength and add the passion between you and me  
This would be my perfect man  
I mean purposed and catered to me and my body  
His hands, his face, his ways, his body over there  
The way he talks to me  
Those eyes, his tenderness and his power  
His strength and add the passion between you and me  
This would be my perfect man  
I mean purposed and catered to me and my body

My special perfect one  
(His hands)  
Ain't nobody touch me like you  
(His face)  
Ooh, ooh, you look good to me  
(His ways, his body over there)  
Come here  
Baby, baby, I like the way  
(The way he talks to me)  
I know how it feels when I see those eyes  
I know how you see through me with those eyes  
I can't resist his tenderness and his power  
How you do  
(His strength)  
What you do  
(And all the passion)  
How you do  
(Between you and me)  
You're gonna be  
(This would be my perfect man I mean)  
Nobody, nobody, nobody, nobody  
Loves me like you do  
Nobody, nobody, nobody, nobody  
Loves me like you do  
Nobody, nobody, nobody, nobody  
Loves me like you do
